

SEACOR Holdings Inc.
AUDIT COMMITTEE CHARTER

This Audit Committee Charter (this “Charter”) was adopted by the Board of Directors (the “Board”) of SEACOR Holdings Inc. (the “Company”) on November 13, 2018.

This Charter is intended as a component of the flexible framework within which the Board, assisted by its committees, directs the affairs of the Company. While it should be interpreted in the context of all applicable laws, regulations and listing requirements, as well as in the context of the Company's Certificate of Incorporation and By-Laws, it is not intended to establish by its own force any legally binding obligations.

I. PURPOSE

The Audit Committee (the “Committee”) shall assist the Board in fulfilling its responsibility to oversee management regarding: (i) the conduct and integrity of the Company’s financial reporting to any governmental or regulatory body, the public or other users thereof; (ii) the Company’s systems of internal accounting and financial and disclosure controls; (iii) the qualifications, engagement, compensation, independence of the Company’s independent auditors and performance of the Company’s internal auditors and independent auditors, their conduct of the annual audit, and their engagement for any other services; (iv) the Company’s legal and regulatory compliance; (v) the Company’s codes of ethics as established by management and the Board; and (vi) the preparation of the audit committee report required by Securities and Exchange Commission (“SEC”) rules to be included in the Company’s annual proxy statement.

In discharging its oversight role, the Committee is authorized: (i) to investigate any matter that the Committee deems appropriate, with access to all books, records, facilities and personnel of the Company; and (ii) to retain independent counsel, auditors or other experts, with adequate funding provided by the Company.

II. COMMITTEE MEMBERSHIP

The Committee shall consist of three or more members of the Board, each of whom has been determined by the Board to be “independent” in accordance with applicable rules of the SEC and the New York Stock Exchange (the “NYSE”). All members of the Committee shall meet the financial literacy requirements of the NYSE and at least one member shall have accounting or related financial management expertise. At least one member of the Committee shall be an “audit committee financial expert” as such term is defined under applicable SEC rules. No member of the Committee may serve on the audit committee of more than three public companies, including the Company, unless the Board has determined that such simultaneous service would not impair the ability of such member to effectively serve on the Committee. Any such determination shall be disclosed in the annual proxy statement.

III. COMMITTEE MEETINGS

The Committee shall meet on a regularly-scheduled basis at least four times per year or more frequently as circumstances dictate. The Committee shall meet at least quarterly with the internal auditor (who may be an outside provider of such services) and the independent auditor in separate executive sessions to provide the opportunity for full and frank discussion without members of senior management present.

IV. KEY RESPONSIBILITIES

The Committee's role is one of oversight. The Company's management is responsible for preparing the Company's financial statements and the independent auditors are responsible for auditing those financial statements. The Committee recognizes that Company management including the internal audit staff, or outside provider of such services, and the independent auditors have more time, knowledge and detailed information about the Company than do Committee members. Consequently, in carrying out its oversight responsibilities, the Committee is not providing any expert or special assurance as to the Company's financial statements or any professional certification as to the independent auditor's work.

The following responsibilities are set forth as a guide with the understanding that the Committee may diverge as appropriate given the circumstances. The Committee is authorized to carry out these and such other responsibilities assigned by the Board from time to time, and take any actions reasonably related to the mandate of this Charter.

To fulfill its purpose, the Committee shall:

1. appoint (and if appropriate dismiss), evaluate, compensate and oversee (taking into account the opinions of management and the Company's internal auditor where appropriate) the work of any
