SAFE & GREEN

SG Blocks to Participate in the 6th Annual ROTH New Industrials Corporate Access Day on December 11, 2018

BROOKLYN, N.Y.--(BUSINESS WIRE)-- [SG Blocks, Inc.](#) (Nasdaq: [SGBX](#)), a leading designer, innovator and fabricator of container-based structures, has been invited to participate in the [6th Annual ROTH New Industrials Corporate Access Day](#) being held on December 11, 2018 at the Lotte New York Palace in New York City.

SG Blocks CEO Paul Galvin and CFO Mahesh Shetty will hold one-on-one meetings with institutional investors throughout the conference. For additional information or to schedule a one-on-one meeting with SG Blocks management, please contact your ROTH sales representative (949) 720-5700 or e-mail: registration@roth.com. You may also email your request to chris.tyson@mzgroup.us or call Chris Tyson at (949) 491-8235.

This invitation-only event will give investors the opportunity to interact with senior management of a select group of small/mid-cap firms across the sector, including leaders in energy storage, biofuels, water/environmental services, grid infrastructure, fuel cells, alternative fuels, auto parts providers, wind, green plastics and energy efficiency. While most companies have discrete drivers, unifying themes are expected to include growth driven by innovation, the rebuilding of U.S. manufacturing, and niche market success.

About ROTH Capital Partners, LLC

ROTH Capital Partners, LLC (ROTH), is a relationship-driven investment bank focused on serving emerging growth companies and their investors. As a full-service investment bank, ROTH provides capital raising, M&A advisory, analytical research, trading, market-making services and corporate access. Headquartered in Newport Beach, CA, ROTH is privately-held and employee owned, and maintains offices throughout the U.S. For more information on ROTH, please visit www.roth.com

About SG Blocks, Inc.

SG Blocks, Inc. is a premier innovator in advancing and promoting the use of code-engineered cargo shipping containers and purpose-built steel modules for safe and sustainable construction. The firm offers a product that exceeds many standard building code requirements, and also supports developers, architects, builders and owners in achieving greener construction, faster execution, and stronger buildings of higher value. Each project starts with GreenSteel™, the structural core and shell of an SG Blocks building, and then customized to client specifications. For more information, visit www.sgblocks.com.
