About LD Micro

LD Micro was founded in 2006 with the sole purpose of being an independent resource in the microcap space. What started out as a newsletter highlighting unique companies has transformed into an event platform hosting several influential conferences annually (Invitational, Summit, and Main Event).

In 2015, LDM launched the first pure microcap index (the LDMi) to exclusively provide intraday information on the entire sector. LD will continue to provide valuable tools for the benefit of everyone in the small and microcap universe.

Safe Harbor Statement

Except for historical information contained herein, statements in this release may be forward-looking and made pursuant to the safe harbor provisions of the Private Securities Litigation Reform Act of 1995. Words such as "anticipate," "believe," "estimate," "expect," "intend," and similar expressions, as they relate to Stony Hill Corp. (the "Company") or its management, identify forward-looking statements. These statements are based on current expectations, estimates and projections about the Company's business based, in part, on assumptions made by management. These statements are not guarantees of future performance and involve risks, uncertainties, and assumptions that are difficult to predict. Therefore, actual outcomes and results may, and probably will, differ materially from what is expressed or forecasted in such forward-looking statements due to numerous factors, including those described above and those risks discussed from time to time in the Company's filings with the Securities and Exchange Commission. Factors which could cause actual results to differ materially from these forward-looking statements include such factors as (i) the development and protection of our brands and other intellectual property, (ii) the need to raise capital to meet business requirements, (iii) significant fluctuations in marketing expenses, (iv) the ability to achieve and expand significant levels of revenues, or recognize net income, from the sale of our products and services, (v) the Company's ability to conduct the business if there are changes in laws, regulations, or government policies related to cannabis, (vi) management's ability to attract and maintain qualified personnel necessary for the development and commercialization of its planned products, and (vii) other information that may be detailed from time to time in the Company's filings with the United States Securities and Exchange Commission. The Company undertakes no obligation to publicly update or revise any forward-looking statements, whether as a result of new information, future events or otherwise.
