Please view Torchlight's website, [www.torchlightenergy.com](http://www.torchlightenergy.com) for additional information and available webcast of presentations.

### ***About OGIS® New York***

The IPAA Oil & Gas Investment Symposium New York (OGIS New York) is a hallmark on the industry calendar and an annual must destination for serious energy investors. There is a distinct advantage for investors participating at OGIS New York, as the unique and focused setting allows for benefits that go beyond the basic company presentation.

### ***About Growth Capital Expo***

The Growth Capital Expo is a three-day conference organized by SNN, a global multimedia financial news and publishing company that provides self-directed investors information on selected small and microcap public companies; and Market Nexus Media,

who publishes news and research, and produces events for companies and capital providers in high-growth markets. More than one hundred emerging growth companies listed in the U.S., Canada and other foreign exchanges are expected to present.

### ***About Torchlight Energy***
