# **Volt Information Sciences Announces Call to Discuss Operational Vision and Introduce VWS Executive Leadership Team**

NEW YORK--(BUSINESS WIRE)-- Volt Information Sciences, Inc. (NYSE-AMERICAN:VISI) (the "Company") today announced that it has scheduled an informational conference call on Tuesday, December 11, 2018 at 1:30 p.m. PT / 4:30 p.m. ET. The call will include remarks from Linda Perneau, Volt's President and Chief Executive Officer, who will provide a brief overview of her operational vision for the Company. In addition, the call will include comments from key members of the revamped executive leadership team at Volt Workforce Solutions. Prepared remarks will be followed by a question and answer session with Ms. Perneau. This conference call is being held to provide investors a better understanding of the significant changes underway at the Company, and the opportunity to hear directly from the experienced industry executives now leading the business. The call will not include commentary or questions on the Company's financial results or prospects. The Company will provide financial results during its regularly scheduled fiscal 2018 fourth quarter and full-year earnings call to be held in early January 2019.

To access the call, participants may dial (877) 407-9039 (U.S.) or (201) 689-8470 (International) and reference the "Volt Information Sciences Conference Call." The call will also be broadcast live over the Internet, accessible through the Investors section of the Company's website at [www.volt.com](http://www.volt.com).

Following the call, an audio replay will be available beginning Tuesday, December 11, 2018 at 7:30 p.m. Eastern Time through Tuesday, December 25, 2018 at 11:59 p.m. Eastern Time. To access the replay, dial (844) 512-2921 (U.S.) or (412) 317-6671 (International) and enter the Conference ID #13685313. A replay of the webcast will also be available for 90 days upon completion of the call, accessible through the Investors section of the Company's website at [www.volt.com](http://www.volt.com).

## **About Volt Information Sciences, Inc.**

Volt Information Sciences, Inc. is a global provider of staffing services (traditional time and materials-based as well as project-based). Our staffing services consist of workforce solutions that include providing contingent workers, personnel recruitment services, and managed staffing services programs supporting primarily administrative, technical, information technology, light-industrial and engineering positions. Our managed staffing programs involve managing the procurement and on-boarding of contingent workers from multiple providers. Our customer care solutions specialize in serving as an extension of our customers' consumer relationships and processes including collaborating with customers, from help desk inquiries to advanced technical support. Our complementary businesses offer

customer care call centers, customized talent, and supplier management solutions to a diverse client base. Volt services global industries including aerospace, automotive, banking and finance, consumer electronics, information technology, insurance, life sciences, manufacturing, media and entertainment, pharmaceutical, software, telecommunications, transportation, and utilities. For more information, visit [www.volt.com](http://www.volt.com).
