## **VSE Subsidiary, G&B Solutions Mentor-Protégé Agreement with EAdvantage**

ALEXANDRIA, Va.-- G&B Solutions, Inc., a wholly owned subsidiary of VSE Corporation (NASDAQ: VSEC), is pleased to announce the formalization of a mentor-protégé agreement with EAdvantage Inc., a Service Disabled Veteran Owned Small Business. G&B received approval recently on the agreement by the United States General Services Administration (GSA).

EAdvantage Inc. provides a broad range of management, technical assistance, training, application development and information technology support.

“G&B Solutions is honored and poised to support EAdvantage with advice, consultation, information and resources in management, technical, financial, business development, contracting and administration,” said President of G&B Solutions Denise Manning.

Phillip Selleh, an Operation Iraqi Freedom and Operation Enduring Freedom Service Disabled Veteran founded EAdvantage in 2004. “The GSA office offered the suggestion that we might align well. Our companies are who we are today because our core competencies gravitate easily to our customer’s needs. We look forward to G&B’s assistance in ensuring we have the right organizational processes in place to grow correctly while seeking opportunities together. I admire VSE and our values and culture are very similar and important. We are committed to the Warfighter, especially in hiring veterans. Because VSE and G&B are making an investment in our company, I am confident that we will be able to reciprocate by working hard to add a new complimentary dimension of value to our partnership.”

GSA’s Mentor-Protégé Program is designed to encourage and motivate GSA prime contractors to assist small businesses and enhance their capability of performing successfully on GSA contracts and subcontracts. The program is intended to foster the establishment of long-term relationships between small businesses and GSA prime contractors and increase the overall number of small businesses that receive GSA prime contract and subcontract awards.
