## **VSE Awarded U.S. Army Integrated Logistics Support Center Task Order for \$17.8 Million**

*Services to Update Technical Manuals for TACOM Managed Publications*

ALEXANDRIA, Va.-- VSE Corporation's (NASDAQ: VSEC) Federal Group has been awarded a one-year \$17.8 million firm-fixed price, level-of-effort task order under the Army's Program Executive Office (PEO) for Combat Support and Combat Service Support (CS&CSS) Omnibus III contract to update technical manuals in accordance with the Army's Two Level Maintenance (TLM) standards for the Army's Integrated Logistics Support Center (ILSC).

Under this task order, VSE will update U.S. Army Technical Manuals and associated Logistic Management Information (LMI) with the latest engineering, technical data changes as well as Two-Level Maintenance policy changes. These updated technical manuals will enable the soldier to support their equipment with current spare parts and maintenance requirements.

"For over two decades, VSE has supported the TACOM Lifecycle Management Command (LCMC)," said Federal Group President Donnelle Moten. "TACOM is an important customer and this work is vital to the continued safety of the soldier."

According to Systems Engineering Division Director Jim Coritz, "This award allows us to maintain continuous support of this effort to the ILSC. We are proud to continue ensuring the technical documentation provided to the soldier is current and relevant so that they can focus on the important task of defending our country and allies."
