VSE Awarded \$13M Task Order to Support Pacific Air Force

VSE will continue providing management and technical services support to the PACAF Air Logistics Center in Guam

ALEXANDRIA, Va.-- VSE Corporation (Nasdaq: VSEC) reported today that its International Group has been awarded a Firm Fixed Price (FFP) task order to continue providing support to the Pacific Air Force (PACAF) Command pre-positioned equipment program located in Guam. The task order was awarded through VSE's GSA Logistics Worldwide schedule and has a value in excess of \$13.1 million over a five-year period of performance.

VSE employs over 30 technical personnel to support the PACAF Air Logistics Operations Center (PACAF/ALOC) in Guam, Korea and Hawaii. VSE provides administrative, management, and technical services for War Reserve Materiel (WRM) and Base Expeditionary Airfield Resources (BEAR) assigned to the PACAF area of operations. Areas of support include project and product management, product assurance and testing, product planning, technical engineering and logistics support.

"We are very pleased to have been selected by Headquarters Pacific Air Force to continue providing support for the maintenance, storage, and reconstitution of BEAR assets within the PACAF area of operations," said International Group President Harry Flammang. "Since 2004, VSE has successfully maintained nearly 400 increments of BEAR assets in Guam, and we look forward to supporting this important program in the coming years."
